Individual Control Measures and Screenings

- | | |
|---|---|
| <input type="checkbox"/> Employees whose work duties can be conducted remotely are doing so and will continue to do so until the Shelter in Place Order is lifted, with particular consideration for employees above the age of 65 and others at increased risk for more severe disease if infected. | <input type="checkbox"/> Employees are provided with all required protective equipment (i.e., face coverings) and the employer ensures this equipment is worn properly at all times. |
| <input type="checkbox"/> All employees have been provided with temperature and/or symptom screenings at the beginning of their shift and all other employees entering the worksite at all times. The individual conducting the temperature/symptom screening will avoid close contact with employees to the extent possible. Both screeners and employees wear face coverings during each screening. Screening follows CDC Guidelines . | <input type="checkbox"/> Employees are provided with and use protective equipment when offloading and storing delivered goods. |
| | <input type="checkbox"/> Employees inspect deliveries and perform disinfection measures prior to storing goods in warehouses and facilities. |
| | <input type="checkbox"/> Face coverings are required when employees are in the vicinity of others. Face coverings are not shared at this worksite. |
| | <input type="checkbox"/> Employees take reasonable measures to communicate with the public that they should use face coverings. |
| | <input type="checkbox"/> Employees who are sick or exhibiting symptoms of COVID-19 are directed to stay home and Centers for Disease Control guidelines will be followed for when that employee can return to work. |

Types of protective equipment provided to employees at this worksite location include:

ABC Preschool

COVID-19 Site-Specific Protection Plan (SPP)

Description of specific operational procedures being implemented to ensure there is adequate time for cleaning/disinfecting:

Additional measures that have been taken at this business location:

Physical Distancing Guidelines

- Employee breaks and break rooms are managed to allow employees to eat on premises in designated areas where they can remain 6 feet apart.
- Customers are not permitted to bring their own bags, mugs, or other reusable items from home.
- Tape or other markings have been placed at least six feet apart in customer line areas on sidewalks or other walkways near public entrances with signs directing customers to use the markings to maintain distance.
- All desks or individual workstations are separated by at least six feet or employees otherwise maintain six feet if workspace is limited.

The following per-person limits have been placed on goods that are selling out quickly to reduce crowds and lines.
If not applicable mark as "N/A"

Description of the layout of your worksite and how we accomplish physical distancing measures:

Notification of COVID-19 Positive Case at your Worksite

- | | |
|---|---|
| <input type="checkbox"/> County of Marin Public Health is notified of all positive COVID-19 cases. | <input type="checkbox"/> Employers and employees are aware that they can call Marin Public Health if a suspected exposure has occurred at 415-473-7191. |
| <input type="checkbox"/> If an employee is diagnosed with COVID-19, Marin County Public Health will provide assistance in the assessment of potential worksite exposures, and any recommended testing, quarantine, or isolation instructions. | |

Training

Employees have been trained on the following topics

- | | |
|---|---|
| <input type="checkbox"/> Information from the Centers for Disease Control and Prevention (CDC) on COVID-19, how to prevent it from spreading, and which underlying health conditions may make individuals more susceptible to contracting the virus. | <input type="checkbox"/> The importance of frequent handwashing with soap and water, including scrubbing with soap for 20 seconds (or using hand sanitizer with at least 60% ethanol or 70% isopropanol when employees cannot get to a sink or handwashing station, per CDC guidelines).\ |
| <input type="checkbox"/> Self-screening at home, including temperature and/or symptom checks using CDC guidelines. | <input type="checkbox"/> Manufacturer's directions and Cal/OSHA requirements for safe use of personal hygiene and cleaning products. |
| <input type="checkbox"/> The importance of not coming to work if employees have a frequent cough, fever, difficulty breathing, chills, muscle pain, headache, sore throat, recent loss of taste or smell, or if they or someone they live with have been diagnosed with COVID-19. | <input type="checkbox"/> The importance of physical distancing, both at work and off work time (see Physical Distancing section above). |
| <input type="checkbox"/> The importance of seeking medical attention if an employees' symptoms become severe, including persistent pain or pressure in the chest, confusion, or bluish lips or face. Updates and further details are available on CDC's webpage. | <input type="checkbox"/> Proper use of face coverings, including: |
| <input type="checkbox"/> The vulnerability of older adults and people with chronic medical conditions, and the need to practice particular caution to protect these groups. | <input type="checkbox"/> Face coverings do not protect the wearer and are not personal protective equipment (PPE). |
| | <input type="checkbox"/> Face coverings can help protect people near the wearer, but do not replace the need for physical distancing and frequent handwashing. |
| | <input type="checkbox"/> The importance of washing and/or sanitizing hands before and after using or adjusting face coverings. |
| | <input type="checkbox"/> Avoid touching eyes, nose, and mouth. |
| | <input type="checkbox"/> Face coverings to be washed after each shift. |

Other worksite training measures taken:

Compliance and Documentation

- This worksite is regularly inspected for compliance with this Site-Specific Protection Plan (SPP) and any deficiencies are documented and corrected.
- All new business operations will continue to be accessible to consumers and employees with disabilities, complying with the Americans with Disabilities Act, Title III which covers private business entities.
